and healthy. The baby weighed ten pounds when he was born, and he is the best-natured child I ever saw.

"The mother will relinquish all claim to

the child. All she asks is that it has a good home and care, and she will never even see or inquire who its inture parents are. The dis- The Harlem Draws a Source of posal of the child is left entirely to me." "But how are you to be recompensed for your trouble?" asked the young man.

"Oh, that doesn't worry me any, Of course, a could sell this baby, I presume, but

ellow.

Of course, I can't always keep him here, but I shall keep him for a month anyway, unless some one wats him. Then I will have to board him out somewhere. I hope, though, that some one will take him, for it will be so much better for him.

that some one will take him, for it will be so much better for him."

Here Mrs. Rothkranz detected signs of discontent on the part of the young gentleman in the clothes-based and durrying out of the procured a bottle of milk which speedily restored perfect quiet and contentment. Then she continued in a half-soliloqui; "Poor little thing. He little knows the trouble he may have to go through in this world. I'd just like to get hold of his tather, the dirty, deceiving brute, I'd—I'd what she would do, for the baby suddenly—kaed two very large (for him) sneezes, and she proceeded to cover up his fat little arms and kiss him.

Do you think you want him? she finally saked. The young man replied that he would have to consult his wife about the matter first, and obtained the refusal of the baby until this morning.

The young man has now decided that while the havy is too cute and cunning for anything. The young man has now decided that while the phase is too cute and cunning for anything. The young man has now decided that while the phase is too cute and cunning for anything. The young man has now decided that while the phase is too cute and cunning for anything.

rest, and obtained the refusal of the baby until fills morning.

The young man has now decided that while the baby is too cute and cunning for anything it will be impossible for him to play the role of a protecting parent, as he is single, with serious intentions. Be therefore gracefully resigns all claims to the fascinating infant to some other gentleman or lady who can give the little fellow a better home than a single furnished room without even breakrast.

Clark's opinion in support of his position. It is to the effect that until Congress shall assume jurisdiction over the waters of the bridges over that river. In opposition, Sherman Evarts, representing the New York and Northern Baliroad, which would sustain the greatest injury from the closing of the bridges, said that
